Is there any items you are always in need of for your classroom

Felt tip markers (all colors but especially red) white and colored tag board markers, lined sticky notes, small containers...10 pencil boxes would do! Making base ten kits. Love container store and Target.

If you class has a prize box or reward chest, what items could you use (families have asked if they could donate party favors and such)

Yes! LEGO bags. (took old Legos and put them in a bag!) Pokémon bags. Same thing old Pokémon cards in bags, anything small.

Anything else we need to know?

You parents are so wonderful! Thanks for making us feel supported and loved. You're the best!
